SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Goal: TBD

Buford High [Lancaster County]

Percent satisfied with school-home relations	63.9%	86.5%	71.4%

^{*}Only students at the highest high school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year was very successful.

The 9th grade Academy Program continues to be a vital part of our school. We feel that the program is a success and will help our attendance and increase graduation rates.

Buford hosted a science parent night this year. Parents of students in physical science had the opportunity to experience experiments firsthand.

The school's athletic program continues to improve with our addition of a track team. Many students benefited from this new team, and we believe the interest will continue to grow in coming days. This year we had All State players in football, wrestling, soccer, and track. We also had one golf player to place as a state champion. Our varsity cheerleaders were the Lower State Champions.

Buford has enjoyed a new concession stand at our football field. We are excited about the addition of a field house next year.

Our Athletic and Band Booster clubs continue to make large contributions to our school. The Athletic Boosters donated over \$37,000.00 this year to our athletic funds. Parents and community members have been very supportive this year with our extracurricular activities.

The School Improvement Council worked to make Buford High School a great place to go to school.

Jonathan Phipps, Principal Imogene Steele, School Improvement Council Chairperson
